

Fiscal Year 2022 Annual Report

October 2022

We're pleased to report that the year ending June 30, 2022 was productive for the Massachusetts Land Trust Coalition! Here's just some of what we accomplished:

- Hosted the 18th Annual Land Trust/State Agency Retreat
- Convened the Massachusetts Land Conservation Conference with over 30 virtual workshops and nine field trips held across the state
- Produced three multi-session learning collaboratives and several *Stronger Together* topical networking sessions for land trust leaders
- Created a new toolkit to help conservation advocates communicate the economic value of land conservation to municipal decision-makers
- Deepened our engagement in policy advocacy, helping to advance the Public Lands Protection Act
- Adopted a Strategic Plan to guide us in better serving the land conservation community over the next five years.

None of this would have been possible without our many loyal and generous supporters, and the capable leadership and engagement of our Board of Trustees and Conservation Advisory Council. Thank you!

Sincerely,
