

Olivia Barksdale is the Conservation Agent for the Town of Acton. Previously, she worked for Mass Audubon for five years as their Conservation Restriction Stewardship Manager. She moved to Massachusetts from Maryland to attend Clark University. Between semesters she held several internships with US Fish and Wildlife and worked as a wildland fighter for one fire season. After studying abroad in Berlin, she returned to graduate from Clark University in May of 2019 with a degree in Environmental Science and a Minor in Geography. In September of 2019, Olivia began her conservation career at Mass Audubon. On days off she enjoys rock climbing, kayaking, and exploring Massachusetts.
