

## Examples of COVID-19 Trail Notices

From the formal to the informal, a few ideas for how to communicate with your constituents.

### **CODIV-19 Trail Updates**

#### **Town of Lincoln Trail Guidance**

The Town of Lincoln Conservation Department and the Lincoln Land Conservation Trust are committed to supporting efforts to control the spread of COVID-19. We understand that our local trails are a valuable source of health and community during these times. As such, we encourage your continuing trail use, provided social distancing protocols are maintained to minimize virus-related health risks. Please be advised that, depending on state guidance, the trails may be temporarily closed to public access in the future.

During this time, **please keep dogs on leash on all Lincoln trails.** As always, remember to carry out dog waste.
